THE AMBASSADOR

NIJ LEVEL III RIFLE SHIELD

A rifle-rated tactical shield built for law enforcement, school security programs, and any team that needs more than pistol-rated protection. The Ambassador pairs full NIJ Level III rifle defeat with an oversized 10" x 5" ballistic viewport, giving operators a wide field of view while the shield stays up. UHMWPE construction keeps it manageable at 30.5 lbs over 4.84 sq. ft. of coverage.
