## EMERGENCY RESPONSE LOCKER

TEXAS HB33 COMPLIANT – CAMPUS READY

A complete, ready-to-deploy emergency response package designed to meet Texas House Bill 33 — which requires every Texas school campus to be equipped with a ballistic shield and breaching tool. Each locker bundles a NIJ Level III rifle-rated shield, a 30" Halligan, a fireman's wedge, a cross-peen hammer, an irons sling, and five HB496-compliant Stop the Bleed kits — all keyed alike across every Guerraco locker for unified SRO and first-responder access.

TEXAS HB33 COMPLIANT  
**RIFLE-RATED + STOP THE BLEED**

MEETS HB33 SHIELD + BREACHING-TOOL MANDATE FOR EVERY CAMPUS

### KEY FEATURES

#### NIJ LEVEL III BALLISTIC SHIELD

Includes a 20" x 30" rifle-rated shield (19 lbs) or a compact 24" x 12" rifle-rated shield (9.5 lbs) — both stop 7.62x51 M80, 7.62x39, and 5.56 M193.

#### BREACHING TOOL SUITE

Includes a 30" drop-forged Halligan, a solid-aluminum fireman's wedge with bungee, and a 4 lb x 16" cross-peen hammer — staged for forcible entry and rescue.

#### 5x HB496 STOP THE BLEED KITS

Five HB496-compliant Stop the Bleed kits ride on a tactical belt in daisy-chain layout — immediate access for traumatic-bleeding response by any responder.

#### IRONS SLING ORGANIZATION

Dedicated irons sling holds and organizes all breaching tools for rapid deployment — no rummaging during the first minutes of a critical incident.

#### KEYED ALIKE – DISTRICT WIDE

Every Guerraco Emergency Response Locker is keyed alike. One key opens any locker — simplifies access for SROs and first responders across all campuses.

STAGED. SECURED. READY.
