QUICK-RELEASE CARRIER

MODULAR TACTICAL PLATE CARRIER

A rapid-doffing plate carrier engineered for professionals operating in high-threat environments. The Quick-Release Carrier accepts standard 10"×12" or 11"×14" hard armor and integrates Guerraco's 5.5"×11" NIJ Level IIIA soft side inserts — scalable protection without unnecessary bulk. Available in four operator colors.

MISSION-READY CARRIER
QUICK-RELEASE SYSTEM

FITS 10×12 AND 11×14 HARD ARMOR — ACCEPTS NIJ IIIA SOFT SIDE INSERTS

KEY FEATURES

ONE-PULL QUICK RELEASE

Integrated cable system allows immediate doffing for medical access, water hazards, or rapid gear transition while staying locked-in during active use.

SCALABLE PLATE COMPATIBILITY

Accepts standard 10"×12" plates (Large) or 11"×14" plates (XL). Cummerbund pockets fit 5.5"×11" NIJ IIIA soft armor for lateral protection.

FULL MOLLE/PALS PLATFORM

Modular webbing across front, rear, and cummerbund. Configure mags, medical, admin, and mission-specific gear without re-rigging the carrier.

500D TACTICAL NYLON BUILD

Abrasion-resistant 500D nylon with bar-tacked stress points engineered to hold up under full combat load and long-duration operational use.

ERGONOMIC LOAD CARRIAGE

Fully adjustable shoulders and cummerbund with breathable internal padding distribute weight evenly for extended wear and reduced fatigue.

BUILT FOR THE MISSION.

TESTED & CERTIFIED

BUILT FOR REAL-WORLD THREATS

Carrier system only — ballistic plates sold separately. Compatible with NIJ-rated Level III and IV hard armor and Guerraco 5.5"×11" NIJ IIIA soft side inserts.

IDEAL FOR:

LAW ENFORCEMENT

MILITARY PERSONNEL

SCHOOL RESOURCE OFFICERS

PREPARED CIVILIANS

SECURITY PROFESSIONALS

ENTRY & BREACH TEAMS
