TACTICAL ARM SHIELD

NIJ LEVEL IIIA – HANDGUN RATED

An ultralight ballistic arm shield for school security teams, first responders, and law enforcement officers who need pistol-rated protection they can deploy in seconds. At 5.29 pounds, this is one of the lightest NIJ Level IIIA shields available — light enough for trained school staff to grab and go during a crisis, while still adding 12" of standoff between officer and threat.

**TRUSTED PROTECTION
NIJ LEVEL IIIA**

STOPS .22LR, 9MM, .357 MAG, AND .44 MAGNUM HANDGUN ROUNDS

KEY FEATURES

ULTRALIGHT 5.29 LB CHASSIS

One of the lightest NIJ IIIA shields on the market — light enough to carry through a full shift or stage in a classroom-grab-go locker.

12 INCHES OF STANDOFF

Adds 12" of reach between the operator and the threat, keeping a subject's hands away from the duty belt and sidearm during contact.

GLASS BREAKERS & DETENTION TEETH

Removable glass breakers and detention teeth on the leading edge for vehicle extraction, breaching glass, and subject control.

OPTIONAL TACTICAL LIGHT

Available with built-in flashlight, battery pack, charger, and Velcro pouch — illuminate threats while keeping the shield up.

AMBIDEXTROUS, OFFICER-PROFILED

Sculpted curves protect vital areas while preserving sightlines, with ambidextrous straps for left- or right-hand deployment.

IDEAL FOR:

LAW ENFORCEMENT

SCHOOL & STAFF SAFETY

FIRST RESPONDERS

PATROL & VEHICLE STOPS

CORPORATE FACILITIES

DETENTION & CORRECTIONS

TESTED & CERTIFIED

TESTED & CERTIFIED – NIJ STANDARD-0108.01 LEVEL IIIA

Defeats .22LR, 9mm, .357 Magnum, and .44 Magnum handgun rounds. 8-year warranty. Removable glass breakers and detention teeth. Optional integrated flashlight, battery pack, charger, and Velcro pouch. Texas school districts: meets HB 33 requirements.
